Camp Reflections

By Jonathan Carl
Interim Minister to Students

The Lord is working in powerful ways among and through the students of our church! This work was especially apparent during our two summer camps—Jonathan Creek in Hardin, KY (middle school) and Centrifuge in Panama City Beach, FL (high school). A combined fifty students and twelve adults put aside the distractions and busyness of life to focus on God's work.

Every day of camp brought opportunities for us to dive into Scripture, prayer, and worship through Bible study groups, large-group messages, church-group devotionals, small-group breakouts, and one-on-one discipleship and mentoring. Both students and adults were challenged to evaluate their personal walk with Jesus Christ and prayerfully seek the growing work of the Holy Spirit. We were also encouraged to consider and commit to continue the momentum of change beyond camp through the next fifty-one weeks.

Our weeks of summer camp were also filled with recreation, fellowship and restoration. We had lots of quality time together as a church group, as well as individually, hanging out and hav-

ing fun! We had opportunities to snorkel, kayak, tube, play messy/field/board/water/beach games, spike volleyballs, go blobbing, climb towers, skimboard, create crafts, and other incredible activities. We made new friends within our own youth group and between churches. These relationships and memories will last for many years ahead!

Thank you for supporting student ministry through your encouragement, tithes and prayer! We've had an exciting first part of the summer and expectantly pray for the Lord's great work to continue through the remainder and into the fall!

Please check out our website - www.svbcstudents.org to view camp photos and videos, and learn about upcoming events!
