The Student Summer Scene

By Jonathan Carl
Interim Minister to Students

The summers of our childhood and teenage years often bring back fond memories of relaxation, fun and rest. This summer the Student Ministry has an action and discipleship-packed schedule! We will have awesome events including dodge ball, paintball, water slides, water balloon games, bowling, Holiday World, King's Island, laser tag, go carts, putt putt, video games, baseball games, as well as tons of other outdoor and indoor fun. These events are great opportunities for our students to build and strengthen long-lasting friendships with other Christians. Our fun activities also serve in allowing our students opportunities to connect their friends from schools with our church, with the hope

of sharing Christ with their lost friends and encouraging their saved friends towards a deeper walk with Christ.

Summer camp is the highlight of the summer experience in Student Ministry. No other event has quite the same effect on encouraging and growing students in their relationship with Jesus. Once the students are removed from the busyness and distractions of their day to day lives, they are immersed in a week filled with worship, personal devotionals, group Bible studies, and powerful messages. Camps are also full of exciting opportunities to enjoy the away-from-home vacation with friends! This summer we will have twenty-two middle school

students journeying to Jonathan Creek Camp on Kentucky Lake. A week later we will take twenty-four high schoolers to Centrifuge Camp in Panama City Beach, Florida. These camps are guaranteed to be spiritual markers in the lives of many of our students!

June and July also present our students an opportunity to reach beyond themselves in service, evangelism, and missions. We will have opportunities to serve within the Warm Blessings Soup Kitchen where we have already been blessed many times in the past. We will also get the chance to share Christ through Vacation Bible School and the Backyard Bible Club; opportunities that are memorable, fun, and encouraging! Finally,

we will have the chance to share Christ through "Technology Missions Trips" on Tuesdays and Wednesdays in July. During these "trips" we will use technology to make videos and songs through which we can tell the Bible story to others across the world by using Facebook, Tangle (formerly God Tube), You Tube, blogs, ipods, DVDs, and others forms of media interaction.

Please keep our students and our student ministry leaders in your prayers as we journey through the summer months. We are excited about the opportunities that are ahead and are expectantly asking for the Lord to work in and through many of us!

Vacation Bible School

Are your kids ready to have a rockin' good time, June 8-12? That's just what they'll do at Crocodile Dock, where fearless kids shine God's light! Crocodile Dock is filled with incredible Bible-learning that kids see, hear, touch, and even taste! Bible Point crafts, team-building games, cool Bible songs, and tasty treats are just a few of the Crocodile Dock activities that help faith flow into real life. (Since everything is hands-on, kids might get a little messy. Be sure to send them in play clothes and safe shoes.) Plus, we'll help kids discover how to see God in everyday life—something we call God Sightings. Get ready to hear that phrase a lot! Your kids will also participate in a hands-on mission project with Second Harvest's Backpack Program. Register your kids today!

Register online through June 3 at www.severnsvalley.org. Crew leaders may also register online. See John Bennett or Laurie Souleyrette for more information.
